

TIME PROJECTS **ZAMBIA**
CORPORATE PROFILE

ABOUT US

Time Projects is a leader in commercial and residential property development, asset management and property management in Botswana and Zambia.

Established in 1986, the Time Projects team includes some of the top project managers, property developers and asset managers in these countries. Since the company's venture into Zambia in 2011, Time Projects has been appointed to the role of property manager for PrimeTime Property Holdings Ltd. In its role as property manager, Time Projects has acquired a number of properties in Zambia for PrimeTime including PWC Office Park, Centro Kabulonga Mall and G4S buildings in Lusaka and Kitwe.

In addition to the PrimeTime affiliation and property management in Zambia, Time Projects Zambia has recently completed two shopping centres for PrimeTime and is currently developing a shopping centre in Kabwata, Lusaka. Chirundu Mall and Munali Shopping Centre are complete and Kabwata Shopping Centre is currently being developed.

WHAT WE DO

We offer a wide range of excellent commercial and residential property services. We undertake projects ranging from low cost housing developments, executive residential complexes to commercial office blocks, shopping centres and industrial developments. Our core competencies are project management and project development. These disciplines are applied to all aspects of our business.
