ABOUT THE EVENT:

The business environment keeps on changing each and every day. Technological progress is unleashing a wave of changes that is disrupting the market. Everyday has new things, new innovations and new models of doing business.

Leaders are therefore entirely challenged to lead their teams to great success in such a frenetic moving world calls for no excuses, calls for leadership that is inspirational and authentic, calls for leadership that can build trust based teams and a leadership with the capacity to inculcate a culture of progress in the workplace.

KEY FOCUS AREAS:

☑ **B.R.E.A.T.H.E. - From Survival to Thriving in 2021**
Using the acronym BREATHE, clarity will bring a renewed sense of purpose, focus, and drive to pick up the broken pieces and deliver.

☑ **Blue Than Indigo - A Transformational & Humane Leader-Shift**
At the heart of humane leadership is the notion of balance and the ability to create harmony in relationship with the self and others.

☑ **Future Proof Your Leadership**
Everyone is talking about future proofing their business, and yet, the people to make decisions, create the environment, and drive change are leaders. So, it is even more critical for all leaders to develop self-leadership competencies. leaders. So, it is even more critical for all leaders to develop self-leadership competencies.
