

# Zambia Institute of Chartered Accountants 2022 Pre-AGM Workshop

## Finance Role in Economic Growth

# Role of Finance in an organisation

Finance's role is structured around three dimensions which are;

## Strategic

Performance and future growth of the organization

## External

Investor community and regulatory environment

## Functional

Organization's core functional activities

# Finance Activities

# Role of Finance in Economic Growth

1

**Investment Appraisal/ Render financial services**

---

2

**Cost savings**

---

3

**Preparation of financial statements/ reporting**

---

4

**Fraud fighting**

---

# And the benefits to the Economy ?

**Environment  
of Trust  
Investment  
opportunity**

**Understand  
fiscal position  
and  
prospects**

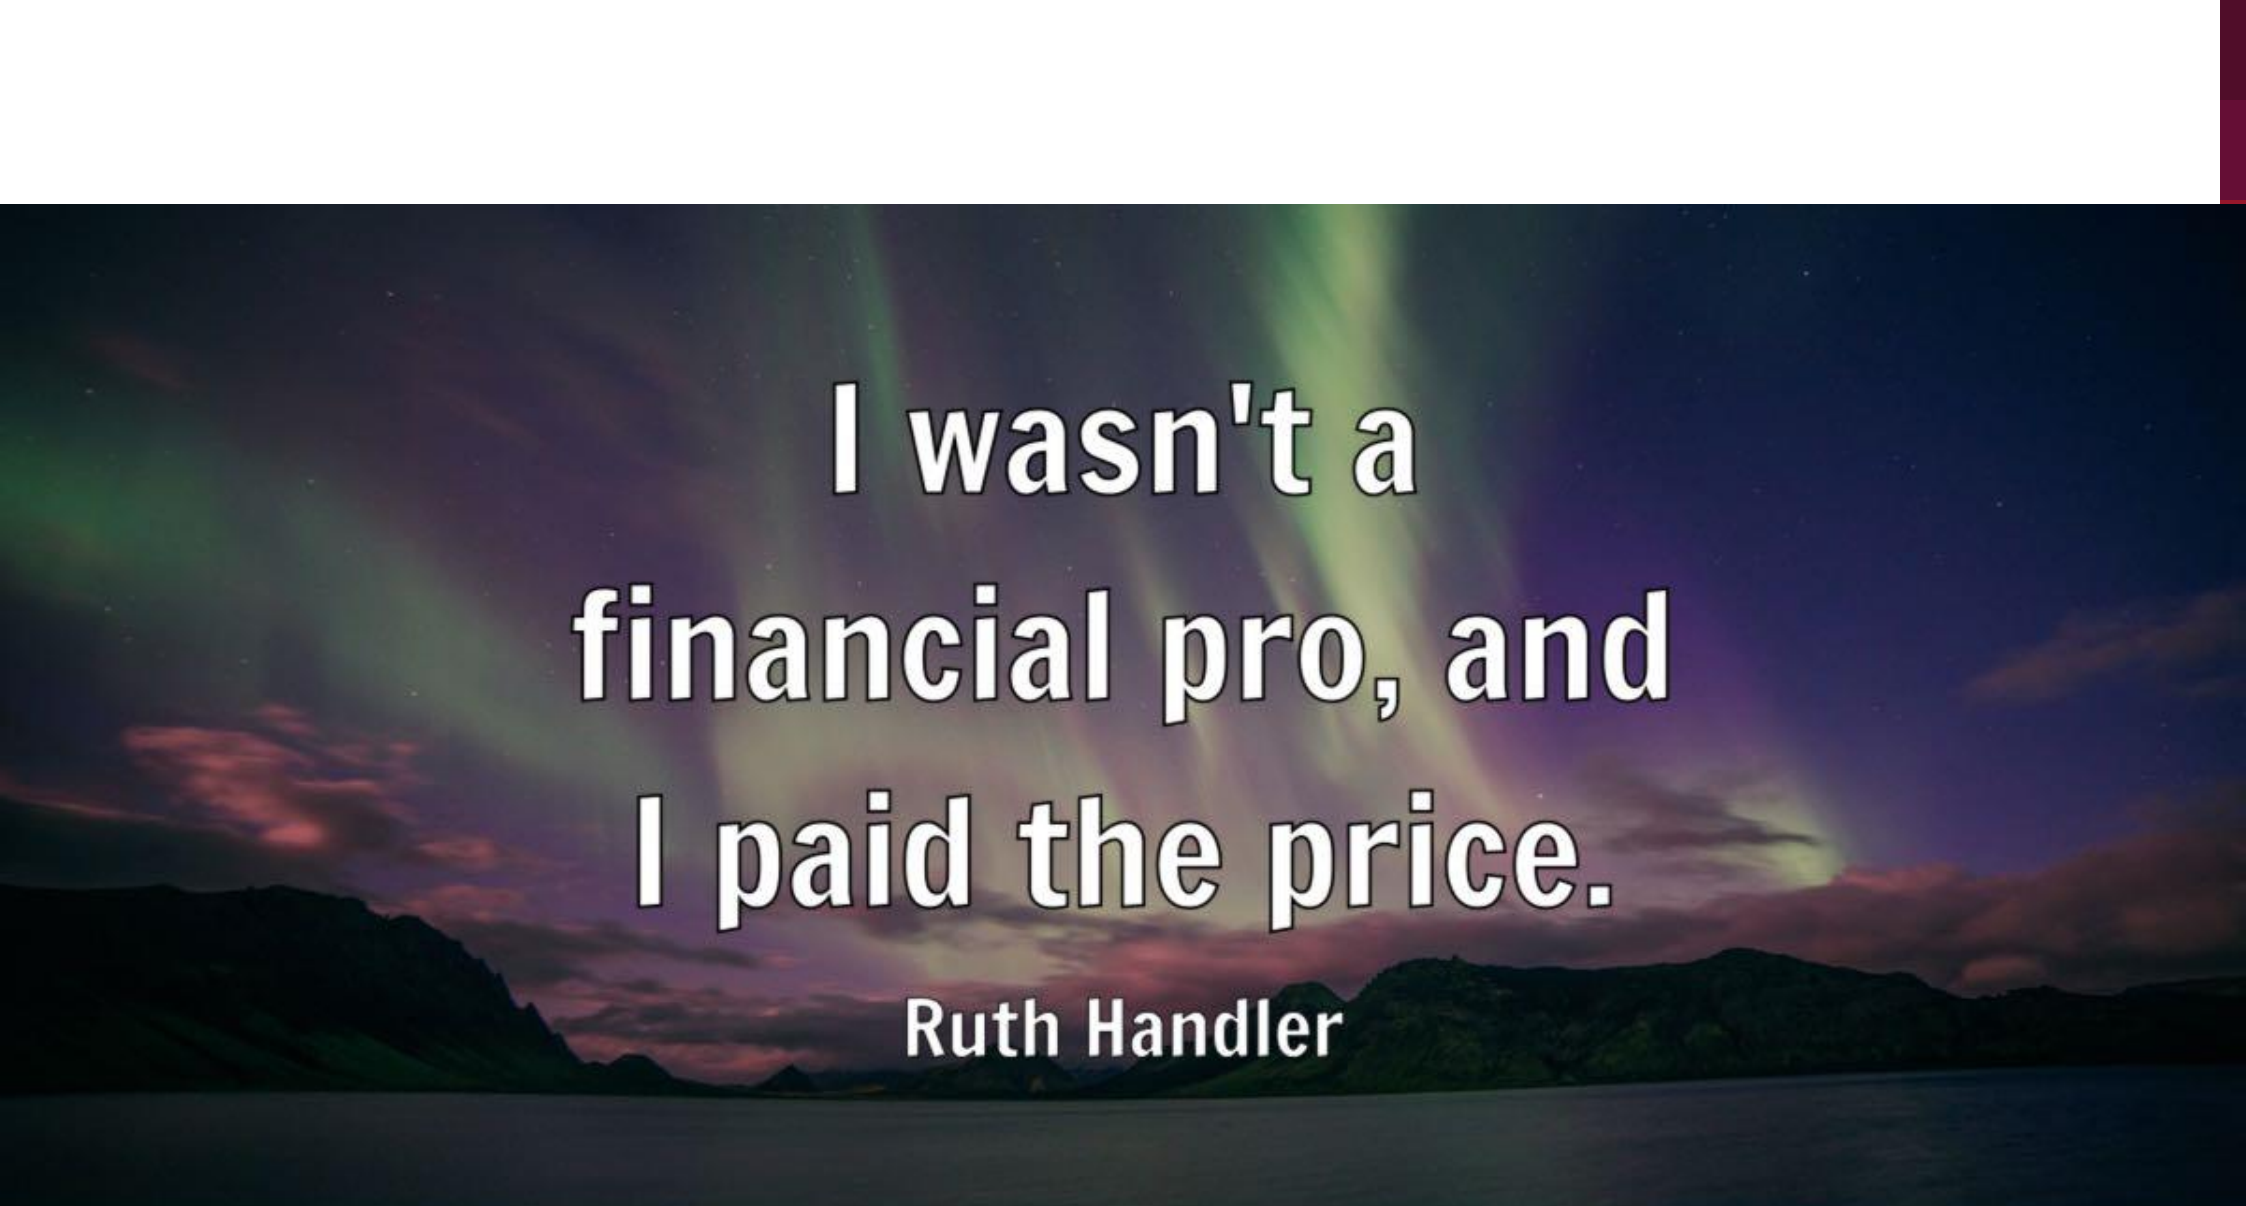

**Information  
to make  
efficient  
policy  
decisions**

**Support  
Sustainable  
Development  
Goals  
(end poverty,  
protect the  
planet,  
and ensure  
prosperity for  
all)**

# How do you do it ?

# You are the sixth sense and need to develop the four-dimensional Quotients

I wasn't a  
financial pro, and  
I paid the price.
