All one, strong and free.

II

Africa is our own motherland,
Fashion'd with and blessed by God's good hand,
Let us all her people join as one,
Brothers under the sun.
All one, strong and free.

III

One land and one nation is our cry,
Dignity and peace 'neath Zambia's sky,
Like our noble eagle in its flight,
Zambia, praise to thee.
All one, strong and free.

Chorus:

Praise be to God,

7.1 DISCIPLINARY COMMITTEE

CHAIRPERSON'S STATEMENT

On behalf of the Disciplinary Committee, it is with great pleasure that we present to you the Committee's Annual Report for 2023. The Institute's steadfast commitment to regulation and compliance has yielded positive results, aligning seamlessly with our overarching vision of being a reputable leader in developing finance and business professionals.

Throughout the year, our efforts focused on ensuring strict adherence to the provisions outlined in the Accountants Act, alongside other professional standards, codes, and pertinent laws and regulations governing the accounting profession.

While celebrating our achievements, we must also address a matter of growing concern: the upsurge in cases referred to our Committee. It is imperative that members of the accountancy profession remain steadfast in upholding the Institute's vision, which centers on maintaining the highest professional standards in both education and practice, thereby satisfying all stakeholders. As custodians of this noble profession, accountants are duty-bound to uphold the ethical code governing their practice.

Looking ahead, the Committee envisages a future where adherence to relevant laws mirrors the profession's vision, ethics, and standards. As part of our proactive approach to deterring misconduct, the Institute has resolved to publish all Rulings on our website. This transparency aims to educate members on various behaviours that may constitute professional misconduct, as well as to underscore the repercussions of such actions. We remain optimistic that these measures will dissuade potential offenders, leading to a more favorable report in the coming year.

Thank you, and we look forward to continued progress and collaboration within the esteemed profession.

7.2 BENEVOLENT FUND BOARD ANNUAL REPORT FOR 2022

OBJECTIVES AND OPERATIONS OF THE FUND

The principal objective of the Fund is to raise and maintain funds for the purpose of assisting persons in need that are or have been members of the Institute and their spouses or dependents. The Fund also targets to provide critical medical care to members within Zambia on a case by case basis. However, due to constraints in financial resources the assistance is restricted to payment of school fees for children of deceased members.

The fund depends on volunteers for all its administrative work including honorary audit services provided by HLB Reliance.

The major sources of income for the Fund include contributions by members, donations and interest on investments. The income is invested in interest bearing financial instruments. The Fund assists beneficiaries by awarding educational grants to children of deceased members.

Business Transacted during the Year

The Benevolent Fund Board met four times during the year under review to review the financial performance of the fund, review strategy and approve financial statements.

Financial Assistance

During the year the Board supported thirteen (13) children of late members by paying for their school fees. Of these children, four (6) are at secondary school, three (4) at primary school and two (3) at University.

Financial highlights

Income

Based on the audited financial statements, the Fund recorded a total income of K627, 690 compared to the K195, 949 in the previous year. The sources of income were as follows:

Source	2023 K' 000	2022 K' 000
Subscriptions	2,000	1,360
Interest earned	32, 690	24,589
Donations	593,000	170,000
Total	627,690	195,946

As can be seen from the table above, contributions from members improved in the financial year under review. If this trend continues the Committee will be able to support more persons in need.

Expenditure

The Board spent a total of K158, 365 compared to K122, 445 in the previous year. Of the total expenditure, K157, 165 was spent on requests for school fees for children of late accountants against K121, 245 in the previous year.

Projected Expenditure

In the 2024 financial year, projected expenditure is around K420, 000 arising from new cases being recorded.

Investments and Bank balance

As at 31st December 2023, the bank balance was K1,043,944 (2022, K455,391).

Future Plans

The Benevolent Fund Board will continue to undertake its humanitarian functions for members going through difficulties and also assisting families of the deceased members.

To achieve this, the Board will intensify its fundraising activities through the following measures:

1. Lobby for corporate sponsorship of some of the activities of the fund
2. Lobby for annual support from audit firms and other organizations
3. Explore other investment opportunities which may yield better returns than the traditional Fixed Deposits
4. Organize fund raising aerobics activities

Conclusion

We have recorded a significant increase in the demand for financial assistance in the year 2024 and we are grateful the income improved in 2022 and 2023, we are hoping the trend continues. For instance, the total income in 2023 was K627, 690 and K195, 946 in 2022. The trend was different in the past financial years before 2021 where income continued to decline in comparison to expenditure.

If we continue at this rate, the Fund may be able to meet financial needs of our beneficiaries for this year. The available resources can only pay for school fees for one year looking at the number of applications we are receiving. It is in this regard that I wish to make an earnest appeal for charitable contributions from members for us to continue on our path to serve families in need. I must attest that the Fund has given hope to many families of our deceased members who have been at the point of destitution.

On behalf of the Benevolent Fund Board I want to thank all Members and Organizations who made a contribution in any way to the activities of the Fund during the year 2023. The Fund appreciates any assistance members can give to ensure that the Fund continues to provide support to all beneficiaries who are in need. The effectiveness of the Fund depends on the collective contributions of members. As indicated in the financial highlights, membership contributions have improved in the past two years as before 2021 contributions continued to decline whereas requests for financial assistance were on the rise. We are hoping the positive trend continues as it will positively affect the Fund's operations.

Lastly, I wish to thank all the Board members and the ZICA Secretariat for the amount of support rendered to the Board during the year 2023.
