## 7.1 DISCIPLINARY COMMITTEE

### CHAIRPERSON'S STATEMENT

On behalf of the Disciplinary Committee, we are pleased to present the Committee's Annual Report for 2024. The Institute's unwavering commitment to regulation and compliance continues to yield positive outcomes, reinforcing our vision of being a distinguished leader in the development of accounting professionals.

Over the past year, our focus has remained on ensuring strict compliance with the provisions of the Accountants Act, as well as other applicable professional standards, codes, and regulations governing the accounting profession.

While we acknowledge our achievements, we must also highlight a growing concern—the increasing number of cases brought before the Committee. It is crucial that members of the accountancy profession remain dedicated to upholding the Institute's vision by maintaining the highest professional standards in practice, thereby meeting stakeholder expectations. As stewards of this esteemed profession, accountants have an obligation to adhere to the ethical principles that govern their practice.

Looking ahead, the Committee envisions a future where compliance with relevant laws and standards is fully aligned with the profession's vision and ethical framework. As part of our proactive approach to promoting ethical conduct, the Institute has resolved to publish all Rulings on its website. This initiative aims to educate members on conduct that may constitute professional misconduct and to highlight the consequences of such actions. We are confident that these measures will serve as a deterrent to potential violations and contribute to a more positive report in the coming year.

We appreciate your continued support and look forward to further progress and collaboration in upholding the integrity of our profession.

Elijah Banda, SC  
Chairperson

## 7.2 BENEVOLENT FUND BOARD ANNUAL REPORT FOR 2024

### OBJECTIVES AND OPERATIONS OF THE FUND

The principal objective of the Fund is to raise and maintain funds for the purpose of assisting persons in need that are or have been members of the Institute and their spouses or dependents. The Fund also targets to provide critical medical care to members within Zambia on a case by case basis. However, due to constraints in financial resources the assistance is restricted to payment of school fees for children of deceased members.

The fund depends on volunteers for all its administrative work including honorary audit services provided by HLB Reliance.

The major sources of income for the Fund include contributions by members, donations and interest on investments. The income is invested in interest bearing financial instruments. The Fund assists beneficiaries by awarding educational grants to children of deceased members.

#### Business Transacted during the Year

The Benevolent Fund Board met four times during the year under review to review the financial performance of the fund, review strategy and approve financial statements.

#### Financial Assistance

During the year the Board supported nine (9) children of late members by paying for their school fees. Of these children, two (2) are at secondary school, four (4) at primary school and three (3) at University.

#### Financial highlights

##### *Income*

Based on the audited financial statements, the Fund recorded a total income of K862,767 compared to the K627, 690 in the previous year. The sources of income were as follows:

Source	2024 K' 000	2023 K' 000

Donations	830,590	593,000
<b>Total</b>	<b>862,767</b>	<b>627,690</b>

As can be seen from the table above, contributions from members improved in the financial year under review. If this trend continues the Committee will be able to support more persons in need.

#### Expenditure

The Board spent a total of K157, 046 compared to K158, 367 in the previous year. Of the total expenditure, K155, 661 was spent on requests for school fees for children of late accountants against K157, 165 in the previous year.

### Future Plans

The Benevolent Fund Board will continue to undertake its humanitarian functions for members going through difficulties and also assisting families of the deceased members.

To achieve this, the Board will intensify its fundraising activities through the following measures:

1. Lobby for corporate sponsorship of some of the activities of the fund
2. Lobby for annual support from audit firms and other organizations
3. Explore other investment opportunities which may yield better returns than the traditional Fixed Deposits
4. Organize fund raising aerobics activities

### Conclusion

We have recorded a significant increase in the demand for financial assistance in the year 2025 and we are grateful the income has been improving the past three (3) years; we are hoping the trend continues. For instance, the total income in 2024 was K862,767 and K627, 690 in 2023 respectively. The trend was different in the past financial years before 2021 where income continued to decline in comparison to expenditure.

If we continue at this rate, the Fund may be able to meet financial needs of our beneficiaries for this year and the years to come. The available resources can only pay for school fees for one year looking at the number of applications we are receiving. It is in this regard that I wish to make an earnest appeal for charitable contributions from members for us to continue on our path to serve families in need. I must attest that the Fund has given hope to many families of our deceased members who have been at the point of destitution.

On behalf of the Benevolent Fund Board I want to thank all Members and Organizations who made a contribution in any way to the activities of the Fund during the year 2024. The Fund appreciates any assistance members can give to ensure that the Fund continues to provide support to all beneficiaries who are in need. The effectiveness of the Fund depends on the collective contributions of members. As indicated in the financial highlights, membership contributions have improved in the past three years. We are hoping the positive trend continues as it will positively affect the Fund's operations.

Lastly, I wish to thank all the Board members and the ZICA Secretariat for the amount of support rendered to the Board during the year 2024.

Fred Namakando-FZICA  
CHAIRPERSON
